

Doug McGraw, CFA
Managing Director and Portfolio Manager
Manulife Asset Management (U.S.), LLC

Doug McGraw, CFA, is a managing director and portfolio manager for Manulife Asset Management (US) LLC. He was most recently a portfolio manager within the global equities team at Invesco Perpetual. Doug began his investment career as an investment analyst for the First National Bank of SW Ohio before joining the US Peace Corps, where he was based in Ukraine as a volunteer, and latterly in Washington as a recruiter. Doug resumed his investment career with Morgan Stanley Investment Management as an investment analyst before becoming a portfolio manager within their Global Value Equity team. He is a member of the CFA Institute.
