

Ronald Chan, CFA
Head of Equities, Asia
Manulife Asset Management

Ronald is based in Hong Kong, he oversees the Equity teams across 10 countries and territories in Asia.

Ronald focuses on enhancing performance of our regional equity strategies, interconnecting the local market equity teams across Asia to capture the best ideas and market intelligence while providing an important link between the regional hub in Hong Kong and the company's equity teams in North America and Europe.

Ronald has more than 16 years of equity management experience, including almost 10 years overseeing equity teams in Asia. His career spans fund management roles at Hambros Fund Management and Baring Asset Management in the UK and more recently Chief Investment Officer of Asian Equity roles at Fortis Investment Management in Shanghai and Hong Kong and Reliance Asset Management in Singapore. He joins Manulife Asset Management from Pacific Eagle Asset Management as Chief Investment Officer.
