

Steve Orlich, M.A. Theoretical Mathematics, ASA

Senior Managing Director & Senior Portfolio Manager
Portfolio Solutions Group, Manulife Asset Management

Steve Orlich is Senior Managing Director and Senior Portfolio Manager, Portfolio Solutions Group (PSG), at Manulife Asset Management. PSG is responsible for the development and growth of Manulife Asset Management's asset allocation solutions for individual and institutional investors globally. Steve assists in the management of strategic asset allocation products worldwide. Steve leads a technical team that researches and develops state-of-the-art asset allocation solutions for institutional and retail investors. Steve's team of asset allocation specialists model risks and forward looking returns for a complex array of traditional and alternative asset classes supporting Manulife's target date, target risk and other multi-asset strategies.

Prior to joining Manulife Asset Management, Steve was Manager, Corporate Risk Management, at Ontario Hydro, where he developed the financial mathematics for electricity derivative contracts.
