

Terry Carr

Head of Canadian Fixed Income
Manulife Asset Management

Terry is Head of Canadian Fixed Income for Manulife Asset Management. He is responsible for the Canadian Fixed Income and Money Market teams that manage over \$21.9 billion in total return, LDI, high yield, passive and other mandates as of December 31, 2014. With more than 26 years of experience as an investment professional, Terry is also a senior member of the Manulife Asset Management Investment Committee.

Terry joined Manulife Asset Management in 2002 as Senior Portfolio Manager, high yield securities. In 2005, he was made responsible for Manulife Asset Management Canadian total return bond portfolios, while retaining responsibility for high yield bonds. In 2007, Manulife Asset Management Limited's Money Market team began reporting to Terry. Terry first worked in Manulife Financial's investment department from 1987 to 1996, ultimately as Assistant Vice President for U.S. bonds. Outside of Manulife Financial, Terry was President of Tarian Capital Management from 1999 to 2002 and Senior Portfolio Manager, high yield bonds, at Royal Bank of Canada from 1996 to 1999. Terry was awarded the CFA charter in 1989.
